

Rose City Transportation is a full service freight company located in Portland, Oregon. Our Company was chartered in May of 1992, to facilitate the delivery of perishable fruits and vegetables to our sister company, Pacific Coast Fruit. We have continued to expand our services in the effort to exceed the expectations of our loyal customer and carrier clientele.

OUR MISSION STATEMENT

Our goal is to build and maintain a lasting business relationship with our customers and vendors by providing dependable cost effective transportation services.

FROM THE PRESIDENT

Rose City Transportation is committed to offering our business partners exceptional and continued customer service. Whether you work for a company managing a transportation department, or you operate a small to medium sized trucking company, Rose City Transportation will be there to support you. Our staff, an experienced team of transportation professionals, is dedicated to go the extra mile for you and your company. While offering our clientele a high level of commitment, we promise to save your company valuable time and resources by efficiently managing your dispatch and marketing efforts.

We recognize the nature of our business is very competitive and there exists many options, from which to choose, for any carrier or shipper. By electing to do business with Rose City Transportation, you will be united with an organization that is financially solid and whose operation is based on fair and honest business practices. We invite you to call us today, in order to discuss your specific transportation requirements.

SERVICES OFFERED

Our staff of experienced transportation professionals operate with an emphasis on providing premium Customer Service. We continually monitor the progress of every shipment arranged and transported through our Company to insure that all performance expectations are met.

TRUCKLOAD

Coast to coast, we specialize in refrigerated truckload transportation. From frozen specialty fruits and vegetables to fresh perishable produce, we can arrange for cost effective, dependable, over-the-road truck transportation. Additionally, if your business requires dry van trailers, we will utilize our national network of contract carriers to provide the equipment most suitable for hauling your unique products.

LESS THAN TRUCKLOAD

Rose City Transportation can provide north and southbound LTL, dry and refrigerated, service to shippers located along the Interstate 5 corridor. Our objective is to combine current technology with our transportation management expertise to find the most cost-effective solution in moving your LTL shipments to market.
